

# LET IT SINK IN

## USING A SONG TO DISCOVER AND MEDITATE ON SCRIPTURE

Embedding God's truth into our mind will take effort on our part. On Episode 162 of the *More Than a Song Podcast*, we use Darlene Zschech's version of "In Jesus' Name" as a catalyst to discover Scriptures that are reflected in the lyrics. Take it a step further by writing out the verses, study them in context, repeat what you've learned, and use the song to help. Use the 30-day guide below to assist you. Invest the time. You won't regret it!
