PODCAST #462: "I SEE GRACE" BY MICAH TYLER

Bible

Begin by reading one (or all) of the gospels' accounts of Christ's death, burial, and resurrection. Meditate on Galatians 3:10-14, Deuteronomy 28, Leviticus 16:20-22, and Numbers 6:22-26 contrasting curses and blessing.

Interact

What stands out to you in the text? Make note of anything that jumps out at you in your readings this week (even if it is not related to Christ becoming a curse for us, as discussed in the episode).

Tool

Try taking the BITE of considering the opposite. If you look closely at what the Bible describes as curses, what is the opposite? If you consider what it means to be "in the camp" what is the opposite?

Exercise

In light of everything you discover about Christ becoming a curse for us, journal your thoughts. Better yet, meet a friend for coffee to discuss what you've learned.
