PODCAST #467: "WAS THE WORD" BY ANNA MIRIAM BROWN

Bible

Make Genesis 1-2:3, John 1:1-18, and Colossians 1:13-20 the focus areas of your study. Consider reading them slowly over time, taking time to meditate on the elements of each area.

Interact

Write out these Scriptures by hand. Writing things out by hand has its perks. It boosts memory, sparks creativity, and adds a personal touch. Plus, it's a nice break from screens. Give it a try!

Tool

Find Bible Interaction Tool Exercises that will help you take the BITE of slowing down. Using your imagination will cause you to slow down as you picture the scenes in your mind.

Exercise

After soaking in Genesis 1 and John 1, journal any parallels that rise to the surface. Ask the Lord how this knowledge should confirm or change the way you think.
