PODCAST #471: "TO NOT WORSHIP YOU" BY MERCYME

Bible

Read Psalm 89. Then read it again. Read it repetitively until you make time to sit down and interact with the text. Read it out loud if you find yourself losing focus.

Interact

Start with God and make a list of His character, conduct, and concerns you see in Psalm 89. (Hint: My list was over 30 points long!)

Tool

Choose a word that jumps out at you to complete a word study. Use a tool like Logos or BibleHub.com to define it using a Hebrew Lexicon. See where the word is used elsewhere in Scripture. Did it deepen your understanding of how it's used in Psalm 89?

Exercise

Take your list of God's characteristics and take one every day to meditate on and use in your prayers of adoration to God. It's as simple as, "I praise You God because You are _____."
