PODCAST #476: "WHAT ARE WE WAITING FOR?" BY FOR KING + COUNTRY

Bible

Search for verses about light and darkness in the Old and New Testaments. Here are a few to get you started: Genesis 1:2-5, Isaiah 60:1-3, John 1:4-5, John 8:12, John 3:19-20, Ephesians 5:8-9, 2 Corinthians 4:4-6, Colossians 1:13, Luke 8:16 & 1 John 1:5-10

Interact

Choose some of the verses on light to write out by hand. Or type them out. Don't copy and paste. Writing or typing them out word by word will help you internalize them better.

Tool

Read the verses in context. At least read them within the context of the chapter they "live" in. Ponder how the metaphor of light impacts your understanding of the message God is trying to get across in these various contexts.

Exercise

Name the ways you have been walking in darkness. Get specific. Confess these sins to God and receive his purification. Turn and walk in the light. BE light to those around you so they can see the light of the gospel. The good news that the Light of the World wants to transfer them from the domain of darkness to His kingdom of light.
