PODCAST #479: "LEAD ON GOOD SHEPHERD" BY PATRICK MAYBERRY

Bible

Read Psalm 23, Ezekiel 34, and Luke 15 this week. Perhaps spend several days reading one repetitively before moving to the next.

Interact

Compare and contrast the three texts looking for the Good Shepherd, the bad shepherds, the lost sheep/flock, the good hostess, incarnation implied/promised/realized, bringing back, returning to God, celebrations, and where the stories end (house or land)

Tool

Make a list of the actions of the Good Shepherd from all three texts. Ask yourself, "Am I supposed to respond in any way? How does the Good Shepherd lead?"

Exercise

Look at your pile of threads and pull one out to meditate on. Examine how it is woven into the three different texts. Savor God's Word beside still waters and drink deeply.
