## PODCAST #484: "LOVED BY YOU" BY RILEY CLEMMONS

### Bible

Spend some time in the entire letter to the Ephesians. Be sure to read the entire letter all the way through (several times) before studying smaller portions.

### Interact

Mark every instance of **God's love** in the text. (While you're at it, you may want to mark every instance of **love** referring to believers.) I marked it as displayed here, but you can use whatever system works best for you. Make a list of the characteristics of God's love that you learn from these verses.

### Tool

Study Paul's prayer found in Ephesians 3:14-21. Identify keywords, define them using an English dictionary, and use a tool like wordhippo.com to explore synonyms and antonyms.

### Exercise

Read the text aloud repeatedly over several days. Try reading in various translations. I find versions like the NIV or the NLT are easier to read aloud. Reading aloud will help you remember and retain what you are reading.
